4. Championship Format

- 4.1. The 2025 Pan American Snooker Championship will be played using an initial Round Robin phase of eight groups (please note that the number of groups may change based on number of entries), with the qualifying placed players from each group advancing into the Single Elimination Knockout phase of the event. The following order will determine the final Group positions:
 - 1. Highest number of match wins
 - 2. Win-Loss frames difference (frames won – frames lost)
 - 3. Winner of Group match (head-to-head)
 - 4. Least number of frames lost
 - 5. Highest break
- 4.2. All Group matches shall be contested over a determined number of frames based on entries. Maximum time allowances for this phase must be followed. Knockout rounds up to and including the finals shall be contested over the determined number of frames based on time restraints due to the number of entries received.
- 4.3. A complete match schedule will be produced after the Championship draw [see Rule 5.1].
- 4.4. In making the group draws, eight players (determined by number of entries) of significant national and international snooker achievement (e.g. most recent national champions and former professional players) will be selected by PABSA to position one in each of the groups. All other players will be drawn into the groups, using a system which will reflect a balance of players between the entered nationalities.
- 4.5. Once the draw has been made, the Tournament Director, if necessary, will only be permitted to make

changes if there are any subsequent player withdrawals prior to the start of Group play to even the group numbers.

5. Championship Rules

- 5.1. PABSA appointed on-site Tournament Director will solely be responsible for the running of the Championship, and will do so at their discretion in accordance with these rules. All players must respect the final decision of the Tournament Director. The Tournament Director will also compile the match schedule after the Championship draw, which all players must observe.
- 5.2. Players, officials or any attendees shall never hold The Pan American Billiards and Snooker Association or the tournament venue responsible for the respective person's actions or behaviors, or the person's belongings for any reason.
- 5.3. Player Match Attendance
 - 5.3.1. Players are required to ensure that should they enter the Championship, they make themselves available for the whole duration of the event. Failing which, PABSA reserves the right to initiate disciplinary proceedings against the offending player.
 - 5.3.2. All players are expected to be in attendance and ready to play half an hour before the scheduled start time of their matches. Only during the Group phase of the Championship will the Tournament Director have the discretion, with good reason, to reschedule a match. Due to time constraints, there will strictly be no rescheduling of any matches during the Knockout phase.
 - 5.3.3. During the Groups phase of the Championship:
 - All matches will be played in an order scheduled by the Tournament Director and on the next available table on a roll-on roll-off basis. Upon request, the Tournament Director will endeavor to provide an estimated time for a particular match so a player may plan a meal or comfort break.
 - 5.3.4. During the Knockout phase of the Championship:
 - All matches will be allocated table numbers and commence at a scheduled start time.
 - If a player is not in attendance at precisely their scheduled start time, that player will forfeit one frame.
 - If a player is still not in attendance after precisely 30 minutes from their scheduled start

time, that player will forfeit two frames.

- If a player is still not in attendance after precisely 45 minutes from their scheduled start time, that player will forfeit the match and be withdrawn from the Championship.

5.3.5. Players are not allowed to take any unnatural breaks during matches, with bathroom breaks being recommended between frames. Bathroom breaks during a frame will be permitted only if an urgent situation arises, and players must inform their opponent and return in a timely manner.

6. Withdrawal of Entry and Player

6.1. Please inform PABSA as soon as possible should you wish for any reason to withdraw your entry prior to or during the Championship [see Rule 2.3]. Failure to do so may result in a disciplinary procedure of suspension to participate in future PABSA championships.

6.1.1. Should the withdrawal of a player occur during the Groups phase, all previous match results shall become null and void. Should the withdrawal of a player occur during the knockout phase, that player's opponent shall receive a walkover into the next round or be awarded the Championship title should that be the final match.

7.2. The official code of conduct as defined by the World Professional Billiards & Snooker Association (WPBSA) will be upheld. A copy of the official code of conduct can be downloaded in PDF format from the WPBSA website at:

7.3. Players are not allowed to consume Alcohol in the playing arena. A specific callout from the Code of Conduct, Section 1.10., states: "Members shall not be under the influence of alcohol whilst

competing in a WPBSA sanctioned event and at all times comply with the WPBSA Anti-Doping rules.”

8. Referee and Player Responsibilities

- 8.1. When a referee is provided all official rules will be enforced. In matches without an assigned referee, the following will apply:
- 8.1.1. The non-striking player must spot the pocketed colored balls for their opponent and keep an audible running total of the break compiled.
 - 8.1.2. Foul and a Miss: when snookers are not required by a player and the player is snookered, most one rail escapes must be successful, or the foul will be called a ‘miss’ and replaced based on the non-striker’s option. Players can call the floor referee to observe, if desired. Be sure to note the position of the balls before the shot is played and ensure that the non-striker or referee places a coin or other mark if desired - not the striker.
 - 8.1.3. During earlier stages, and for non-refereed matches, rule 8.1.2. will be applied to a maximum of three attempts. After three “foul and a miss” attempts, the non-offending player will then have the option of either playing from the resulting position or requesting their opponent to play from the resulting position.
 - 8.1.4. Conceding Frame: for group stage matches and earlier stages of playoffs, as determined by the Tournament Director, once all the red balls have been pocketed and just the colored balls remain on the table, if a player on their next visit to the table then requires four or more snookers to the value of the “ball on”, that player will then be obligated to concede the frame or their opponent will be permitted to claim the frame at the end of their visit to the table.
 - 8.1.5. If a full ball on is available (defined as a player can make a full ball contact in a straight line) and a ball on is not contacted a miss will always be called. After the second attempt if they fail to hit the ball on the player MUST be warned that they will forfeit the frame if they fail to make contact a third time, and failing which the frame will be awarded to the opponent.
 - 8.1.6. In the event of a contentious situation, an independent decision must be called upon. Please consult the PABSA appointed Tournament Director whose decision will be final in such situations.

9. Score Sheets

- 9.1. Players will be required to complete and sign a score sheet for each match played. The winner of the match should ensure to return the completed score sheet to the Tournament Director.

10. Dress Code

EVERY PLAYER IS A BRAND, AND THAT CAN BE ENHANCED BY THE WAY THEY DRESS. WE WANT TO HELP THEM TO MAXIMIZE THEIR POTENTIAL AND THE OVERALL IMAGE OF SNOOKER.

- 10.1. Mandatory clothing requirements are as follows:

11. Cell Phones

- 11.1. The use of cell phones will NOT be permitted at any time during a match. To comply with this Rule, and as a courtesy to your opponent, players are asked to have their cell phones switched off during their match unless special circumstances are agreed to by the Tournament Director. If you answer or use your phone during a match you will be warned, and a second infraction will result in the loss of frame.

12. Publicity

- 12.1. If required, players must be available for interviews and photographs in the interest of publicizing the Championship.
- 12.2. Some matches may be streamed on the internet or video recorded for public broadcast. By participating, players acknowledge their consent to have their match streamed live or recorded and available for public broadcast.
- 12.3. All pictures and media taken by PABSA representative(s) shall be the sole property of the Pan American Billiards and Snooker Association.

13. Travel and Accommodation

- 13.1. Each player is responsible for checking if they require a Visa and for making arrangements to acquire the Visa to the USA. PABSA and the host country association will not be responsible for any issues arising from entry into the country, during the stay, or exit from the country.
- 13.2. Each player is responsible for making their own travel and stay arrangements. Each host venue may choose to provide a recommended hotel for the stay.
